### **British Planemakers from 1700 by Jane & Mark Rees - 3rd ...**

This book, the standard reference work on planemakers, is in two parts: a check list of makers and their marks, proceeded by a history of the planemakers and the tools they made. It shows how specialist planemakers evolved from general woodworking tradesmen in the early 1700 s and it traces the development of the wooden plane up to the author s ...
